EXPERIENCE

IT Manager, Example Manufacturing, 2016 - present
IT Project Manager, Example Logistics, 2012 - 2016

KEY ACHIEVEMENTS

- Ran a 25-person IT department and a THB 40M annual budget, closing the year 4% under budget.
- Wrote the three-year IT strategy adopted by the board, including cloud migration and cybersecurity roadmaps.
- Led ISO 27001 certification on the first audit with zero major findings.
- Renegotiated hosting and helpdesk contracts, saving THB 5M a year.
- Hired 11 engineers and introduced quarterly reviews that cut staff turnover from 22% to 9%.
- Introduced ITIL service desk processes that raised SLA attainment from 81% to 97%.
- Sponsored a SAP S/4HANA upgrade delivered on time for 1,200 users.
- Presented a monthly IT scorecard to the CEO and audit committee.
