EXPERIENCE

IT Project Manager, Example Retail Group, 2019 - present
Business Analyst, Example Software House, 2016 - 2019

KEY ACHIEVEMENTS

- Delivered a THB 12M ERP rollout across 40 stores three weeks early and 9% under budget.
- Ran four concurrent projects with 26 developers, testers and vendor staff on a single release calendar.
- Briefed the CIO and five business heads weekly on status, risks and budget variance, cutting escalations by 40%.
- Led 30 requirement workshops and turned them into signed-off specifications for the merchandising team.
- Tracked 120 milestones in Jira and Microsoft Project, keeping 95% on time across two years.
- Negotiated change requests with three vendors and saved THB 1.8M against the original contract value.
- Coached six junior analysts, two of whom were promoted within a year.
- Built a risk dashboard in SQL and Excel that flagged slipping tasks two weeks earlier than before.
